Fabien Petit

PhD Student in Economics

About Me At present second year PhD student at the Aix-Marseille School of Economics in partnership with the Banque de France. I am interested in demographic phenomena and inter-generational transmissions affecting economic variables such as labor share and social mobility.

Education

2018 - present, Aix-Marseille School of Economics in partnership with the Banque de France

PhD Student in Economics (Supervisors: Cecilia Garcia-Peñalosa & Marc Sangnier)

2015 - 2018, Aix-Marseille School of Economics

Magistère in Economic Engineering

2016 - 2018, Aix-Marseille School of Economics

MS in Macroeconomics and Development

Sep 2016 - Dec 2016, Universitat de Barcelona

MS in Economics (Erasmus semester)

2013 - 2016, Aix-Marseille University

BS in Economics and Management

Experience

2014 - 2018, Declaration advisor in sinister, MAIF

Detailed achievements:

- Learned how to handle a professional phone call on a call-center
- Studied insurance law: Badinter law & IRSA Convention
- Learned insurance mechanisms
- Completed the TRACFIN training

May 2017 - Jul 2017, Research Assistant, GREQAM

Worked with Karine Gente (AMSE) and Michael Devereux (UBC) on the production networks and international fiscal spillovers. I mainly provided the reshaped data from the World Input Output Database for their analysis.

May 2016 - Jul 2016, Research Assistant, GREQAM

Worked with Karine Gente (AMSE), Carine Nourry (AMSE) and Marcel Aloy (AMSE) on the link between inequalities and real exchange rate. Two-goods Blanchard (1985) model with capitalists and workers.
